FOR IMMEDIATE RELEASE

New York Yankees and South Carolina Gamecocks Unite for Charity Event Benefiting Prisma Health Children's Hospital

Columbia, SC - March 22, 2024, The New York Yankees and the South Carolina Gamecocks baseball team are joining forces to host a special charity event in support of Prisma Health Children's Hospital "Field of Dreams: A Day of Hope," will take place on June 18th at 2 p.m. in Founders Park Columbia SC.

Joy and support are the two main goals of the event for the kids and family of Prisma Health Children's Hospital. Before the game, players from both teams will get to know the young patients and their families by playing games in the outfield along with a lunch spread.

Highlighting the event will be a heartwarming moment as the children are escorted onto the field before the game to participate in the singing of the national anthem alongside the players. This gesture symbolizes unity, strength, and solidarity in the face of adversity.

In addition to the unforgettable experiences shared with the children, both the New York Yankees and the South Carolina Gamecocks will be making a combined donation of \$200,000 to Prisma Health Children's Hospital, furthering their commitment to making a positive impact in the community.

Director of Athletics for the South Carolina Gamecocks Ray Tanner, "We are thrilled to partner with the New York Yankees for this incredible initiative benefiting Prisma Health Children's Hospital. It's a privilege to use the platform of sports to bring smiles to the faces of these courageous children and their families. This event exemplifies the power of teamwork, compassion, and giving back."

This event is made possible through the generosity and support of sponsors, volunteers, and the community at large. Together, we can make a difference in the lives of those in need and spread hope and happiness to those who need it most.
